

To Our Friends in Fort McMurray,

You have long been a credit to Alberta. Your hard work and determination has fueled the revitalization of our Province.

You have always supported us and we want to ensure that we are there for you and all residents of Fort McMurray. We, at Finesse, pledge our assistance from today forward until you are back, not just in a house, but in your home.

Some of you have already requested invoices for insurance claims. These are ready when you are. If you are planning short term accommodations but require furnishings, please reach out to us. We have items available for immediate possession. We have a logistic team to coordinate a staging plan so that your items are stored safely, but available to you when your home is ready.

If there is anything more we can do, please let us know. If you happen to be in our neighborhood, please join us for a coffee and relaxing conversation.

With compassion,

Finesse Furniture & Interiors Management & Staff.
